

HIGHLANDER COOKBOOK PROJECT

# CALL FOR RECIPES

*Celebrate the people and food of the Almaguin Highlands by submitting a recipe for Highlander Brew Co's upcoming publication. The cookbook will highlight the Almaguin region including its food and beverage, culture, and history.*

Winning recipes, along with its author, will be featured in the publication.

Recipes may be for appetizers, main courses, side dishes, dips, sauces, and/or desserts. Highlander will assemble a jury of professionals to review and select the winning dishes.

**Recipe selection will be based on:**

- Uniqueness
- How well it incorporates the Highlander beer either as an ingredient or a pairing\*
  - Flavour appeal
  - Use of local ingredients

\*Preference will be given to recipes that incorporate the beer as an ingredient.

Entries should include a short history of recipe and its source or author.

Selected winning recipes will also be featured at one of five Highlander dinners in the fall of 2017. The dinners will include musical entertainment and will showcase the culture and foods of the Almaguin Highlands.

In addition to being featured in the book, authors of the selected recipes will receive complementary tickets to the dinner.

This competition is only open to residents of the Almaguin Highlands, which includes residents in the area from Novar to Powassan.
