3. **Guests & Deputations** -

Laurel Campbell asked Council what it knew about the closing of the South River Foodland. Mayor Coleman responded that we hadn't received anything official from Sobey's and the only information we had been getting was through the grapevine and from a brief discussion with the building owner who had also not been provided any official correspondence.

Laurel had been able to confirm she had spoken to Clayton Filkohazy, Executive Communication Specialist for Sobey's. Mr. Filkohazy was located in Calgary and didn't respond immediately to Laurel's calls. The closing date is as reported on Facebook, April 28th, 2018. When Laurel asked for the reasons for closing the store Mr. Filkohazy responded that it was a business decision based on the corporate perspective, geography, demographics, sales and building repairs. He would not elaborate on any of the reasons.

The Council advised that the Mayor had written a letter to Sobey's parent company; Empire Corporation, requesting a letter which could be posted to the residents regarding the closure and the reasons behind the closure. As of the meeting no correspondence had been received from Empire Corporation. The Mayor and the Clerk Administrator had met with the building owner to discuss the possibility of having another grocery store open at the Foodland location. Calls had been made to Norm Miller, MPP; Ron Begin, FedNor Rep; Lanny Dennis, Municipal Planner. Council has not dealt with such a large scale closure and hoped to be able to find some options to help the village secure a grocery store.
